INTRODUCTION

This handbook was prepared by the Registry of Election Finance to assist caucus campaign committees and their officers in complying with Kentucky campaign finance laws. It is intended as a guide only, and in no way supersedes statutory provisions, administrative regulations or case law.

In an effort to make this guide available to the public in a timely manner, the Kentucky Revised Statutes and the Kentucky Administrative Regulations pertaining to campaign finance are not included in this guide. The committee may access a copy of the statutes on our web site (www.kref.ky.gov) or you may contact our office and we will be happy to provide you with a printed copy.

Advisory Opinions

KRS 121.135; 32 KAR 2:060

Any person or group requiring a clarification of the Kentucky campaign finance law regarding a specific activity or transaction that they plan to undertake may request an Advisory Opinion from the Registry. Advisory Opinion requests should be addressed to the General Counsel, Kentucky Registry of Election Finance, 140 Walnut Street, Frankfort, KY 40601. The Advisory Opinion process is explained in greater detail on page 47.

Registry Staff Assistance

Many questions about Kentucky campaign finance law do not require formal Advisory Opinions. Such questions may be addressed to trained Registry staff members by calling the Registry. The telephone number is 502-573-2226.

Resources permitting, staff members are also willing to attend meetings and events to train individuals about Kentucky campaign finance law.

Free Publications

In addition to this Guide, the Registry publishes brochures and other publications on several aspects of Kentucky campaign finance law. These publications are prepared for all persons who may become subject to Kentucky campaign finance law, whether they are seeking office for the first time, seasoned veterans of the political process, or members of the general public who have an interest in participating in campaigns.

What is a Caucus Campaign Committee?

DEFINITION OF A CAUCUS CAMPAIGN COMMITTEE

KRS 121.015(3)(b)

A caucus campaign committee is one (1) of the following caucus groups who receive contributions and make expenditures to support or oppose one (1) or more specific candidates or slates of candidates for nomination or election, or a committee:

1. House Democratic caucus campaign committee;
2. House Republican caucus campaign committee;
3. Senate Democratic caucus campaign committee; and
4. Senate Republican caucus campaign committee.

REGISTERING THE CAUCUS CAMPAIGN COMMITTEE

KRS 121.170(1)

The caucus group must file a Committee Registration Form with the Registry. Upon receipt, the registration form will be reviewed. If all information is satisfactorily completed, the Caucus Campaign Committee registration will be approved. At this time, the chair and treasurer will receive notification that the committee is registered.

Each Caucus Campaign Committee is given a “Filer Number” that is to be used on each report that is submitted. The chairperson and treasurer will receive reporting information and reporting forms. One of the first things a Caucus Campaign Committee will do is open a bank account. (See Chapter 6 concerning opening the bank account and reporting.) Officers of the Caucus Campaign Committee should study this Guide thoroughly before accepting contributions or making expenditures. If any questions are unanswered, call the Registry before proceeding.

Contributions and Other Receipts

WHAT IS A CONTRIBUTION?

The term “contribution” not only encompasses money, but also goods, advertising and services that can be **given to a caucus campaign committee**. This chapter describes what is, and what is not, a contribution; discusses limitations, and in some cases absolute prohibitions, on certain sources of contributions; describes the different types of contributors; and reviews the time limitations regarding contributions.

Definition of a Contribution

KRS 121.015(6) includes the following:

- Payment, distribution, loan, deposit, or gift of money or other thing of value, to a committee;
- Payment by any entity other than the committee, or its authorized treasurer, of compensation for the personal services of another person which are rendered to the committee;
- Goods, advertising, or services with a value of more than \$100, in the aggregate, in any one (1) election which are furnished without charge, or at a rate which is less than the rate normally charged for the goods or services; or
- Payment by any person or entity other than a committee or its authorized treasurer for any goods or services with a value of more than \$100 in the aggregate, in any one (1) election which are utilized by the committee.

TYPES OF CONTRIBUTIONS

Monetary Contributions

KRS 121.015(6)(a)

A contribution of money to a committee that is received in the form of cash, check, draft, credit card, money order, or cashier's check is considered a monetary contribution. Limitations exist concerning the acceptance of different forms of monetary contributions. See page 12.

In-kind Contributions

KRS 121.015(6)(b)-(c); 32 KAR 2:170

An in-kind contribution is a non-monetary contribution consisting of goods or services, offered free or at less than the usual charge. Similarly, when a person pays for services on the caucus campaign committee's behalf, the payment is an in-kind contribution.

An expenditure made in cooperation, coordination, or consultation with or at the request or suggestion of the caucus campaign committee is also considered an in-kind contribution to the committee.

In-kind contributions are treated as any other contribution and are subject to the same contribution limits and reporting requirements.

Exceptions (In-kind Contributions)

KRS 121.015(6)(c)

Under limited exceptions in the law, persons may provide incidental goods or services to a caucus campaign committee without making a contribution. In-kind contributions that are valued at less than \$100 do not qualify as contributions until the aggregate value per contributor exceeds \$100 per election. *In order for a caucus campaign committee to determine whether a contributor has exceeded the \$100 limit, itemized records on all contributors must be kept.*

When services are volunteered, not paid for by anyone, the activity is not considered a contribution. However, payment by a contributor other than the caucus campaign committee to compensate the personal services of another rendered to the caucus campaign committee is considered a contribution regardless of the amount of the payment.

The Value of Discounts

32 KAR 2:170 § 1(1), (4)

If *goods or services* are provided at less than the rate normally charged, or at an unreasonably low charge, the amount of the in-kind contribution is the difference between the amount normally charged for the goods and services at the time of the contribution and the amount actually charged. A *discount* received that is available to the general public is not an in-kind contribution.

Goods

32 KAR 2:170 § 1(1), (4)

Goods, such as equipment, supplies, mailing lists and facilities, are valued at the price the item or facility would cost if purchased or rented at the time the contribution is made. For example, if someone donates a fax machine to the committee, the contribution equals the fair market price of the fax machine at the time of the contribution.

**Services**

32 KAR 2:170 § 1(1), (4)

Services, such as advertising or printing, are valued at the prevailing rate at the time the services are rendered. The value is the fair market value of the service provided.

Loans from Individuals

KRS 121.015(6)(a); KRS 121.015(7)

Loans other than bank loans obtained in the ordinary course of business are considered contributions and are subject to contribution limits. An unpaid loan, when added to other contributions from the same contributor, may not exceed the contribution limit. Once repaid in full, a loan no longer counts against the donor's contribution limit.

All loans must be continuously reported as debts until fully repaid. In the event a lender forgives a loan in whole or in part, the amount of the canceled debt becomes an in-kind contribution and is subject to the contribution limits.

Disposition of Unexpended Candidate/Committee Funds

KRS 121.180(10)

When a partisan candidate or committee wishes to dispose of unexpended funds, one option available is to transfer the remaining funds to the state or county executive committee or caucus campaign committee of the political party of which the candidate or committee is a member. Such transfers are not subject to the contribution limit. If given to a county party they may retain the entire amount of the transfer. No part of the receipt has to be transferred to the state party. (Remember: A candidate may not close out or transfer funds from his or her account until after the election.)

NOTES:

Proceeds from Sales

KRS 121.180(5)

Contributions include proceeds from the sale of tickets for events, such as luncheons, dinners, rallies, and similar fundraising events; mass collections made at events, and sales of items such as campaign pins, buttons, hats, and shirts. The purchaser of tickets or items is the contributor, even if the tickets or items are given to others. Therefore, the caucus campaign committee should record all contributions made by individuals purchasing tickets or items.

***Admission Tickets and Items for Purchase***

121.175(1); 121.150(11)

A Member of the General Assembly may utilize funds in his or her campaign account to purchase admission tickets for caucus campaign committee functions not to exceed \$2,500 per year.

A Member of the General Assembly may purchase items up to \$100 at a caucus campaign committee function, auction or fundraiser from funds in his or her campaign account.

No purchase of tickets or items from all caucus campaign committees should exceed \$2,500 in one calendar year from any one individual.

Extension of Credit

32 KAR 2:180

An extension of credit outside a creditor's ordinary course of business may be considered a contribution.

TYPES OF CONTRIBUTORS***Natural Person***

KRS 446.010(26)

For the purpose of applying the campaign finance laws, a "natural person" referred to in KRS Chapter 121 is an individual human being. "Individual" as used in this guide refers to a natural person.

Minor

KRS 121.150(5)

For the purpose of applying the campaign finance laws, a "minor" is an individual who will not be 18 years old on or before the date of the next general election.

Person

KRS 446.010(26)

“Person” is not defined by KRS Chapter 121; therefore, the Registry has applied the definition of “person” provided in KRS 446.010(26) to all sections of KRS Chapter 121. KRS 446.010(26) defines “person” generally to include bodies-politic and corporate, societies, communities, the public generally, individuals, partnerships, registered limited liability partnerships, joint stock companies, and limited liability companies.

Contributing Organization

KRS 121.015(4)

A “contributing organization” is a group of individuals that merely contributes to the caucus campaign committee from time to time, from funds derived solely from within the group and not solicited or received from sources outside the group itself. Contributing organizations must report to the Registry when any contributions made by the group exceed \$100.

Permanent Committee (PAC)

KRS 121.015(3)(d)

A permanent committee is a permanent organization functioning on a regular basis throughout the year having as a primary purpose expressly advocating the election or defeat of clearly identified candidates. These groups are registered with the Registry, the FEC, or another state. Some groups are affiliated and share a contribution limit.

State or County Executive Committee

KRS 121.015(3)(e)

A state executive committee is a state-level political party committee. A county executive committee is a county-level political party committee.

Caucus Campaign Committee

KRS 121.015(3)(b)

A caucus group who receives contributions and makes expenditures to support or oppose a candidate or slate of candidates.

Out-of-State Contributor

KRS 121.150(11)

An individual who resides, or a committee or group which operates outside of Kentucky, may contribute to Kentucky caucus campaign committees. Contributions from out-of-state contributors are subject to the same restrictions as Kentucky residents, groups, and committees.

Partnership Contributions

KREF Advisory Opinion 1998-012

Partnerships may contribute to caucus campaign committees in one of two ways. First, a partnership may qualify as a contributing organization under KRS 121.015, and may contribute a maximum of \$2,500 per year. Second, the partners may contribute individually from funds derived from the partnership. If a partnership check is issued in lieu of separate checks from the individual partners, the caucus campaign committee must obtain sufficient information from the partnership (including the percentage of each partner's interest) to itemize the contribution between the partners. See page 32-33.

**NOTES:**

CONTRIBUTION LIMITS

KRS 121.150(6)

Individuals may contribute to **caucus campaign committees** up to **\$2,500 per year**.

CONTRIBUTION LIMITS⁹

CONTRIBUTIONS TO CAUCUS CAMPAIGN COMMITTEES	FROM INDIVIDUAL	FROM PAC	FROM CONTRIBUTING ORGANIZATION	FROM CORPORATION	FROM EXECUTIVE COMMITTEE
	\$2,500 per year aggregate (121.150(11))	\$2,500 per year (121.150(11))	\$2,500 per year (121.150(11))	PROHIBITED 121.025 & 121.035	\$2,500 per year (121.150(11))

CASH ² CONTRIBUTIONS	\$50 per election KRS 121.150(4)
ANONYMOUS ³ CONTRIBUTIONS	\$50 per election (Maximum aggregate \$1,000 per election) KRS 121.150(3)

- ① In-kind contributions are subject to the same limits as monetary contributions.
- ② Cash Contributions: \$50 per contributor, per election. Contributions by cashier's check or money order are limited to \$50 per election unless the instrument clearly identifies the payor and payee. KRS 121.150(4)
- ③ Anonymous Contributions: \$50 per contributor, per election, maximum total of \$1,000 per election. KRS 121.150(3)

LIMITATIONS ON DIFFERENT FORMS OF CONTRIBUTIONS

Anonymous Contributions

KRS 121.150(3)

Caucus campaign committees may not accept anonymous contributions in excess of \$50 per contributor, per election. An anonymous contribution in excess of \$50 must be returned to the donor, if the contribution can be traced. If the donor cannot be determined, the contribution shall escheat to the state for deposit.

The total anonymous contributions received by a caucus campaign committee may not exceed \$1,000 per election. Anonymous contributions in excess of the aggregate limit also escheat to the state treasurer.

- Money received from an event or activity such as a fish fry, raffle, concession sales, or from the sale of campaign paraphernalia, is a contribution. If the committee does not have records of individual purchasers, the sales are anonymous contributions, and the committee may only accept anonymous contributions up to \$1,000 in the aggregate per election.

Cash Contributions

KRS 121.150(4); 32 KAR 2:130

Caucus campaign committees may not accept cash contributions in excess of \$50 per contributor, per election.

Contributions by Cashier's Check or Money Order

KRS 121.150(4); 32 KAR 2:130

A caucus campaign committee may not accept a cashier's check or money order in excess of the maximum cash contribution limit unless the instrument clearly identifies both the payor and the payee. If both are identified, the instrument may be accepted like a check.

Contributions by Minors

KRS 121.150(5)

A caucus campaign committee may not accept a contribution in excess of \$100 from any person who will not become 18 years of age on or before the date of the next general election.

ITEMS NOT CONSIDERED CONTRIBUTIONS

KRS 121.015(6)(c); 121.015(7); 32 KAR 2:170 §§ 1(5), 2

- An in-kind contribution does not meet the statutory definition of contribution until the aggregate total of in-kind contribution from a single contributor exceeds \$100.
- Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a committee are not contributions.
- A loan of money by any financial institution doing business in Kentucky made in accordance with applicable banking laws and regulations and in the ordinary course of business is not a contribution.
- Independent expenditures are not contributions. Under KRS 121.015(12), an independent expenditure “means the expenditure of money or other things of value for a communication which expressly advocates the election or defeat of a clearly identified candidate or slate of candidates, and which is made without any coordination, consultation, or cooperation with any candidate, slate of candidates, campaign committee, or any authorized person acting on behalf of any of them, and which is not made in concert with, or at the request or suggestion of any candidate, slate of candidates, campaign committee, or any authorized person acting on behalf of any of them.”

Volunteer Activity

32 KAR 2:170 § 1(5)

An individual may volunteer a portion or all of his or her time to provide personal services to a caucus campaign committee without making a contribution, as long as the individual is not compensated by anyone for the services. If a volunteer is on paid vacation leave (or on leave time that he or she has earned) when working for the caucus campaign committee, the volunteer's vacation pay does not count as a contribution to the committee. If a volunteer is paid on a commission or piecework basis, or is paid only for work actually performed and the employee's time is considered his or her own to use as he or she sees fit, no contribution results.

Note, however, that if individuals are, in fact, paid for their services by someone other than the caucus campaign committee itself, the activity is no longer considered volunteering, and the payments constitute in-kind contributions that must be reported by the committee. The payor would be making an in-kind contribution to the caucus campaign committee.

Generally, if an individual provides services to a caucus campaign committee during paid working hours, the employer makes a contribution to the committee. However, note that if the employer is a corporation, the contribution is unlawful.

In-kind Value Under \$100

KRS 121.015(6)(c)

Expenditures of \$100 or less made by a person are not considered contributions. Individuals may spend up to \$100 for goods, advertising or services with a value of \$100 or less per election without making a contribution. This exemption was designed to stimulate grassroots activity. Although these expenditures are not considered contributions, they should be recorded by the caucus campaign committee. When an in-kind expenditure exceeds \$100, it is considered a contribution and must be reported.

Any amount spent by an individual on behalf of the caucus campaign committee in excess of \$100 per election must be reported as an in-kind contribution to the caucus campaign committee.

***Loans***

KRS 121.015(7)(b)

A loan of money by any financial institution doing business in Kentucky made in accordance with applicable banking laws and regulations and in the ordinary course of business is not a contribution.

Independent Expenditures

KRS 121.015(7)(c), (12); KRS 121.150(1)

An independent expenditure is defined by statute as follows:

[T]he expenditure of money or other things of value for a communication which expressly advocates the election or defeat of a clearly identified candidate or slate of candidates, and which is made without any coordination, consultation, or cooperation with any candidate, slate of candidates, campaign committee, or any authorized person acting on behalf of any of them, and which is not made in concert with, or at the request or suggestion of any candidate, slate of candidates, campaign committee, or any authorized person acting on behalf of any of them. KRS 121.015(12)

Independent expenditures are not subject to any limits, but are subject to reporting requirements. Individuals, **caucus campaign committees** and other groups who make independent expenditures exceeding \$500 in the aggregate in any one election **are required to report** directly to the Registry. *See page 83 for an example of an Independent Expenditure reporting form.*

PROHIBITED CONTRIBUTIONS

Corporate Contributions

KRS 121.025; KRS 121.035; KRS 121.150(22), (23)

Kentucky campaign finance law strictly prohibits corporate contributions to caucus campaign committees, either directly or indirectly. These statutory provisions reflect Section 150 of the Kentucky Constitution, which prohibits corporations from giving money or any other thing of value to influence an election in the Commonwealth.

The prohibition on corporate contributions to candidates, slate of candidates, and committees that support candidates for election extends to all corporate types, including non-stock corporations, solely-owned corporations, not-for-profit corporations, S-corporations and professional service corporations (PSCs).

The prohibition on corporations does not extend to other types of business entities, such as partnerships, including limited liability partnerships (LLPs), limited liability companies (LLCs), sole proprietorships or unincorporated associations. Additionally, there is nothing that prohibits the officers or employees of a corporation from establishing a permanent committee through segregated funds. A contribution from a duly established permanent committee (PAC) to a caucus campaign committee is permissible provided no actions to influence the election may be attributed to the corporation itself.

The prohibition against receiving corporate contributions applies to both monetary and in-kind contributions. Monetary contributions include checks or money orders from a corporate entity or cash transmitted from a corporation to a caucus campaign committee. A caucus campaign committee should review every check for corporate identifiers, such as “Inc” or “Corp.”

To determine whether an entity is organized as a corporation, a caucus campaign committee may verify the entity’s status by calling the Secretary of State’s Office, Division of Corporate Records at (502) 564-7330 or by consulting the Secretary of State’s on-line business database at <http://www.sos.ky.gov>.

In-kind contributions from a corporation must also be avoided. A discount provided to a caucus campaign committee by a corporation that is otherwise not available to the general public or the forgiveness of a debt owed by the caucus campaign committee to a corporation constitutes an illegal, in-kind, corporate contribution. Any unreimbursed use of corporate property, such as computers, telephones, or postage, for the benefit of a caucus campaign committee constitutes an illegal corporate contribution. A caucus campaign committee that uses corporate property should prorate the value of its use and keep detailed records of bills assessed by the corporation and payments made by the caucus campaign committee. These transactions must be disclosed on the caucus campaign committee’s financial reports.

Charitable Contributions

KRS 121.150(2)

Solicitations from and contributions by campaign committees, caucus campaign committees, political issues committees, permanent committees, and party caucus campaign committees to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good are expressly prohibited.

Contributions in the Name of Another

KRS 121.150(12)

A contribution made by one person in the name of another is prohibited. For example, an individual who has already contributed up to his or her limit to the caucus campaign committee may not give money to another person to make a contribution. Similarly, a business is prohibited from using bonuses or other methods of reimbursing employees for their contributions. Parents may not make a contribution in the name of a child.

If an individual who does not have a checking account wants to make a contribution (with his or her own funds), the caucus campaign committee should advise the individual to purchase a money order or to obtain a cashier's check, and to clearly identify on the written instrument both the payor and the payee.

Foreign Nationals

2 U.S.C. § 441e; 11 CFR § 110.4(1); 22 U.S.C. § 611

Contributions from an entity organized under the laws of a foreign country or having its principal place of business in a foreign country are prohibited. Caucus campaign committees may not accept contributions from foreign nationals. A foreign national is an individual who is not a citizen of the United States, and not lawfully admitted for permanent residence. Individuals with a green card may make political contributions.

Circumventing the Limits

KRS 121.150(12); KRS 121.160(2)(e)

No person shall contribute funds to an executive committee, a caucus campaign committee, a political issues committee, or a contributing organization for the purpose of circumventing the contribution limits.

Questionable Contributions

When a caucus campaign committee receives a contribution of questionable legality, it should return the contribution to the donor without depositing it, as the negotiation of the check establishes the receipt of the contribution. The caucus campaign committee should retain in its internal records a written record or a photocopy of the contribution, and clearly note why the contribution was returned.

If a caucus campaign committee decides to keep a questionable contribution while determining whether the contribution is acceptable, the contribution should not be deposited until the committee has received information in writing from the contributor. The caucus campaign committee should maintain written records of all efforts to obtain documentation, and should retain all such documentation.

Finally, if the caucus campaign committee deposits a contribution that appears on its face to be legal and later discovers that it is prohibited, based on information that was not available when the contribution was deposited, the caucus campaign committee should immediately refund the contribution. The deposit must be reported as a contribution, and the refund must be reported on Schedule 1 of the Election Finance Statement, as a “receipts adjustment.”

NOTES:

OTHER REPORTABLE RECEIPTS

The caucus campaign committee must report all receipts. However, some receipts are not contributions. The following are **not** considered contributions:

Bank Loans

KRS 121.015(7)(b); KRS 121.015(6)(a); 32 KAR 2:180

A bank loan obtained by a caucus campaign committee is recorded as “other receipts.” Caucus campaign committee officers may not, on behalf of the committee, guarantee any loan in excess of their individual contribution limit (\$2,500).

Interest Income

Interest earned on invested funds is not considered a contribution, but is reported as “other receipts,” on Schedule 1 of the Election Finance Statement.

Offsets to Operating Expenditures

Offsets to operating expenditures, such as returns by vendors of deposits and refunds, are not considered contributions. The adjustments should be recorded on Schedule 2 of the Election Finance Statement as a “disbursement adjustment.”

Notes:

Expenditures

There are several things to keep in mind when making expenditures for the caucus campaign committee. It is possible that a caucus campaign committee may inadvertently violate campaign finance laws simply through oversight, rather than by any intentional act. The best way to avoid problems is to be familiar with the law and ensure that those individuals acting on behalf of the caucus campaign committee understand the requirements of the campaign finance law.

WHAT IS AN EXPENDITURE?

KRS 121.160(2)(c); KRS 121.175; KRS 121.180(3)(a)(5); 32 KAR 2:200

An expenditure includes reimbursement for actual expenses, a purchase or a payment made in support of or in opposition to a clearly identified candidate or slate of candidates, including expenses for administrative costs. All expenditures are reportable by the caucus campaign committee. No caucus campaign committee shall permit funds in its account to be expended for any purpose other than allowable expenditures.

When the caucus campaign committee makes a contribution to a candidate or slate of candidates, it should provide the official committee name and address to the candidate or slate of candidates. The candidate's campaign needs this information in order to file complete and accurate campaign finance statements. See Appendix C, page 85.

CONTRIBUTIONS TO CANDIDATES

KRS 121.150(6)

The primary, runoff primary and general elections are separate elections. **Caucus Campaign Committees** may contribute in **unlimited amounts to their party's candidates.**

CONTRIBUTIONS FROM CAUCUS CAMPAIGN COMMITTEES	TO A CANDIDATE	TO A PAC	TO AN ISSUES COMMITTEE	TO AN EXECUTIVE COMMITTEE	TO OTHER CAUCUS CAMPAIGN COMMITTEE
	Unlimited 121.150(6)	\$1,500 per year aggregate 121.150(10)	Unlimited	\$2,500 per year aggregate 121.150(11)	\$2,500 per year aggregate 121.150(11)

Caucus Campaign Committee Contributions - Restrictions

KRS 121.150(24)(c)

Caucus campaign committee contributions may not exceed 50% of a candidate or slate of candidates' total contributions for an election or \$10,000, whichever is greater. If caucus campaign committee receipts exceed the allowable limits, a candidate or slate of candidates may, within 60 days following the election, adjust his or her percentage of caucus campaign committee receipts by contributing his or her own money to the account or returning contributions to caucus campaign committees that were made after the limit had been reached. Funds carried forward from one election to the next are not considered in making the caucus campaign committee funds calculation. Remember that the Primary election and the General election are two separate elections and require two separate calculations. This calculation is done by each candidate's campaign; not by the caucus campaign committee.

Allowable Expenditures

KRS 121.175; KRS 121.180(10); 32 KAR 2:200

No caucus campaign committee shall permit funds in its account to be expended for any purpose other than for allowable expenditures. Allowable expenditures are expenditures, including reimbursement for actual expenses, made directly and primarily in support of or opposition to a candidate, constitutional amendment, or public question which will appear on the ballot.

Kentucky law recognizes the following **allowable expenditures**:

- Printing
- Advertising
- Advertising services
- Necessary travel
- Office space
- Committee paraphernalia including, but not limited to, hats, shirts, calendars, and magnets
- Postage
- Office supplies
- Equipment, purchased or rented, for use by the caucus campaign committee, including but not limited to copiers, computers, automobiles, and facsimile machines

- Gifts and meals for volunteer committee workers
- Food and beverages provided at committee functions
- Stationery
- Communications with prospective voters, or membership
- Polling and consulting
- Graphic arts
- Newsletters
- Literature delivery services
- Phone banks
- Transportation services, including but not limited to transporting voters to the polls
- Purchases of advertisements in athletic and scholastic publications
- Expenditures made or items donated to charitable and civic organizations such as clubs, neighborhood organizations, schools, and churches provided that the expenditure furthers a candidacy through advertising.

Expenditures that are NOT Allowable

KRS 121.175; 32 KAR 2:200

Kentucky law specifically provides that the following types of expenditures **are not allowable**:

- Expenditures which are illegal pursuant to any other provision of Kentucky Revised Statutes
- Tickets to an event which is unrelated to a political campaign or candidacy
- Expenditures to promote or oppose a candidacy for a leadership position in a governmental, professional, or political organization, or other entity
- Equipment or appliances used primarily outside the caucus campaign committee

- Charitable contributions to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good are expressly prohibited
- Expenditures which would bestow a private, financial benefit upon the committee members
- Tickets for general distribution for the purpose of influencing an election, either directly or indirectly
- Items of personal property given to prospective voters which do not bear the name, or logo of the committee or a party-related communication
- A committee shall not expend, pay, promise, loan or become liable in any way for money or anything of value, to any person in consideration for his or her vote
- The purchase of flowers, etc. for funerals and hospital stays are not allowable expenditures.

IN-KIND EXPENDITURES

If the caucus campaign committee gives something of value to a candidate or committee, the item needs to be assessed at a fair market value and reported on Schedule 2A. When the item is transmitted to the candidate or committee, the recipient should be informed of the value of the item so that it may be reported as an in-kind receipt on the candidate/committee report. See Appendix C, page 85, for a sample contribution card.

ITEMS NOT CONSIDERED EXPENDITURES

Transfers of Funds for Investment

Transfers of caucus campaign committee funds for investment are not disbursements. These funds must still be accounted for on the committee's Election Finance Statement.

REVIEW OF EXPENDITURES

32 KAR 2:200

If the Registry staff, on review of a submitted Election Finance Statement, determines that a questionable expenditure has been made, the burden shall be on the committee to prove that the expenditure was an allowable expense under KRS 121.175.

General Provisions

EVENTS AND FUNDRAISER FUNCTIONS

KRS 121.180(5)

Events such as rallies, dinners, luncheons, and testimonials are considered reportable events. The entire cost to attend the event is a contribution. The total gross receipts from the sale of tickets for such events must be reported.

Additionally, the sale of items such as campaign hats and shirts and similar material must be disclosed as a fundraising event.

RECORDS

Public Inspection of Reports

KRS 121.120(4)(d); KRS 121.180(8)

All reports filed by the caucus campaign committee are available for public inspection and copying in the Registry's Frankfort office. Copies of reports may also be ordered by mail, and all orders are filled on a first-come, first-served basis. For more information, call (502) 573-2226. A copy of each report filed with the Registry must also be on file with the local county clerk's office.

Record Retention

KRS 121.160(2)(d)

Caucus campaign committees are required to retain all receipted bills and accounts for **six years** from the date the last report is filed with the Registry.

Custodian of Records

The caucus campaign committee must authorize someone to preserve the committee's records for six years after the **last** report has been filed. The Registry should be supplied with the name, mailing address, and the phone number of the individual responsible.

PROHIBITED ACTIVITIES

Solicitation of State Employees

KRS 121.150(23); KRS 121.320

Neither a candidate nor anyone acting on his or her behalf may solicit a contribution of money or services from any merit or non-merit state employee. However, a state employee may receive a solicitation directed to him or her as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees. In other words, you may not target state employees when soliciting contributions of services or money.

Vote Buying

KRS 119.205

A person may not offer to make an expenditure to any person, either to vote or withhold his vote, or to vote for or against any candidate or public question at an election.

POLITICAL ADVERTISING RATE

KRS 121.065(1)

Entities that sell advertising space or time to the public, such as newspaper and magazine publishers, owners or lessors of billboards, and radio and television stations, may not charge fees for political advertising that are not comparable to those charged other advertisers.

DISCLAIMERS

KRS 121.190(1); 32 KAR 2:110

All newspaper or magazine advertising, posters, circulars, billboards, handbills, sample ballots and paid-for television or radio announcements which expressly advocate the election or defeat of a clearly identified candidate or group of candidates for nomination or election to any public office shall be identified by the words “paid for by” followed by the name and address of the individual or committee which paid for the communication.

Printed communications that must contain a disclaimer include newspaper or magazine advertising, posters, circulars, billboards, yard signs, handbills, and sample ballots. The following example provides the required wording for disclaimers in printed materials when paid for by a caucus campaign committee:

If a caucus campaign committee pays for the communication, the disclaimer must contain the **name and address** of the committee that paid for the ad.

Items Exempted

32 KAR 2:110

The Registry has exempted certain items from the disclaimer requirement, including balloons, calling cards, emery boards, bumper stickers, matchbook covers, pencils, shirts, and caps. **Any printed material larger than 3 ½ x 5 inches must have a disclaimer.**

Multiple page mailings will be considered in substantial compliance if at least one page of the mailing includes a disclaimer.

Envelopes stamped with a return address which includes the name of the candidate or campaign committee indicating that the candidate is seeking election to public office shall not be required to include a disclaimer, provided that at least one piece of the envelope's contents includes a disclaimer.

There is no specific location for the disclaimer to be printed.

For television and radio broadcasts, compliance with the Federal Communication Commission's regulation regarding sponsored programs and broadcasts by candidates for public office shall be considered compliance with this section. See 32 KAR 2:110 for further information.

NOTES:

Record Keeping and Treasurer's Duties

REPORTING & RECORD KEEPING

One of the primary purposes of the Kentucky campaign finance laws is to provide public information about the financing of political campaigns. Political campaigns and political committees (including caucus campaign committees) are required to file periodic reports with the Registry of Election Finance. They must disclose the source of contributions to their campaigns or committees, the amount given, the occupation and employer of each contributor, whether the money was from a fundraising event, and how the money was spent.

The key to complying with the reporting requirements is to keep detailed records of each contribution and expenditure.

Before attempting to complete any campaign finance forms, a thorough review of this Guide is necessary.

DUTIES OF THE TREASURER

KRS 121.160; 121.170(3)

All provisions of KRS 121.160 governing the duties and responsibilities of a candidate, slate of candidates or campaign treasurer apply to caucus campaign committees.

The selection of a caucus campaign committee treasurer is an extremely important decision, not only because he or she plays such an integral role in the committee, but also because the committee may ultimately be held responsible for the acts or omissions of the treasurer. An individual who accepts the responsibility of being a treasurer should be aware of the penalties that may be imposed for failure to file committee finance reports and failure to file complete and accurate reports. It is an important responsibility and should be taken seriously.

Often, treasurers for caucus campaign committees are professional accountants or certified public accountants who volunteer their professional services as treasurers. However, corporate assets belonging to the treasurer's employer are not allowable contributions. Therefore, any use by the committee treasurer of corporate assets should be billed to the caucus campaign committee and paid for with committee funds. See 32 KAR 2:170 § 1(3) for further details.

KRS 121.160 provides that the duties of a treasurer are as follows:

- Deposit all contributions into the caucus campaign committee's account.
- Keep detailed records of ALL contributions. One of the best ways to accomplish this is to keep copies of contribution checks received. For contributions in excess of \$100, record the name, address, employer, and occupation of each contributor or if self-employed, the name under which the contributor is doing business. **Be specific** in listing the occupation of the contributor. For example, a general classification such as "businessman" is insufficient.
- Keep detailed records of ALL contributions from permanent committees (PACs). The law requires itemization of all PAC contributions regardless of amount. The treasurer is also required to report the major business, social, or political interest represented by each PAC.
- Make or authorize all expenditures on behalf of the committee from the caucus campaign committee's account. Expenditures in excess of \$25 must be made by check. Records and reports must indicate the name, address, and occupation of every payee, as well as the date, amount, and purpose of the expenditure. Be sure to keep a receipted bill for each of the expenditures.
- Maintain all records, including receipts and bills, for six years from the date the last report is filed.
- Do not make a payment to someone not directly providing goods or services to the committee in the attempt to conceal payment to someone else.

Keeping and maintaining complete caucus campaign committee records from start to finish is essential. The lack of good records may lead to unnecessary time and effort spent looking for records at critical times. When deciding what kind of record-keeping system to implement, the treasurer should keep in mind that the Kentucky campaign finance law places great emphasis upon complete and full disclosure of committee finance information. Any system that is designed must be done so with this in mind.

NEW TREASURER

KRS 121.160(4)

If the caucus campaign committee treasurer is removed, dies or resigns, the caucus campaign committee must, within three days after receiving notice thereof, appoint a new treasurer and file the name and address of the new treasurer with the Registry.

CAUCUS CAMPAIGN COMMITTEE BANK ACCOUNT

KRS 121.220

The first duty of a caucus campaign committee treasurer is to designate a bank depository in which the primary committee account will be maintained. This must be done before receiving or spending any money for the committee. Only a financial institution authorized to do business in Kentucky and insured by the FDIC may be designated as a depository.

It is recommended that the caucus campaign committee open an account at a bank that provides copies of cancelled checks with the monthly statement. It may save the committee the extra expense of paying for check copies that may be needed at a later date.

REPORTING FORMS

KRS 121.120(4)

Reporting forms may be obtained from the Registry. A packet of reporting forms will be provided to each committee approximately 30 days before each report is due.

All forms may be typed, printed, or computer generated, as long as the forms are legible. It is important that the caucus campaign committee file the original document with the Registry, because it will be copied many times. Committees submitting illegible documents will be required to resubmit a legible copy. The caucus campaign committee should keep a copy for their records. The forms may be duplicated as needed.

Note: If forms are computer generated, you must use the same format as the Registry's forms on 8 1/2 x 11 paper. The report must be legible.

REPORTING PERIOD

KRS 121.180(2)

Each report covers activity during a specific time period. Each report begins where the last report ends. There should never be gaps between the periods covered, and there should not be an overlap of time periods. See page 42 for the reporting schedules.

RECORDS OF CONTRIBUTIONS/RECEIPTS

KRS 121.160(2)

The procedure for recording contributions received should enable the treasurer to maintain a continuing total of all contributions received, as well as a continuing total received from any one contributor. KRS Chapter 121 requires that detailed records of all contributions be kept.

Accepting Contributions

Remember that all contributions must be recorded in the caucus campaign committee's records. Contributions are reported on Schedule 1 Itemized Receipts (those over \$100 in the aggregate per election) of the Election Finance Statement. If the contribution is cash, anonymous or unitemized, it is recorded on the Summary Page of the Election Finance Statement.

What Does it Mean to "Itemize"?

The term "itemize" when used in this guide means to fully disclose the name and address of the contributor, date of the contribution, amount of the receipt, type of receipt, and the specific occupation and employer for each contributor, or the name under which the contributor is doing business, if the contributor is self-employed. If the contributor is a PAC, the major business, social, or political interest represented by the PAC must be given.

What Does "Aggregate" Mean?

KRS 121.180(3)(a)(2)

The term "aggregate" is used in this guide to indicate when a committee has to itemize a contribution. Once a single contributor's total contributions exceed more than \$100 per election, the caucus campaign committee is required to itemize that contribution by providing the required contributor information on the report.

Identifying Contributions of \$100 or Less

KRS 121.160(2)(b)

Campaign finance law does not require the treasurer to report detailed and exact accounts of contributions of \$100 or less. However, internal records must be maintained to identify the sources of contributions as they occur in order to aggregate each individual or group contribution with subsequent contributions by that particular individual or group. (Contributions to caucus campaign committees are aggregated on a per contributor, per year basis for the purpose of monitoring contribution limits. Note: Cash and anonymous contributions are on a per election basis.)

Identifying Contributions Exceeding \$100

KRS 121.160(2)(b)

For each contribution by an individual or group that exceeds \$100, the treasurer's records must identify the contributor by name, address, age if under 18, occupation and employer of the contributor, or if the contributor is self-employed, the name under which the contributor is doing business, along with the date and amount of the contribution. **Be specific** in listing the contributor's occupation. For example, the use of a general classification such as "businessman" or "businesswoman" is insufficient. Additionally, for each in-kind contribution, the treasurer should keep a record of the value of the item or service and a brief description.

Combining Monetary and In-kind Contributions

KRS 121.150(6)

Monetary and in-kind contributions are combined for the purpose of applying the contribution limits. Whenever a dollar amount is mentioned, it refers to any combination of monetary and non-monetary contributions.

Identifying Contributions from PACs

KRS 121.180(3)(a)(1)

Keep detailed and exact accounts of contributions of any amount made to the caucus campaign committee by a PAC. Your records should disclose the name of the PAC, its address, date of the contribution, amount contributed, and a description of the major business, social, or political interest represented by the PAC. You may refer to the Registry's list of registered PACs to obtain detailed information about a PAC. (See our website at www.kref.ky.gov for the most recent list.)

Joint Contributions

KRS 121.150(6)

A joint contribution is a contribution that is made by more than one person using a single check or other written instrument. It is acceptable, however, only if the check is drawn on a joint bank account, and each person to whom the contribution is to be attributed has signature authority on the joint bank account. While it is preferable for each joint owner to write and sign his or her own contribution check, two or more individuals may each make a contribution using one check drawn on a joint account.

When making a joint contribution, each contributor must sign the check (or other written instrument) or a statement that accompanies the contribution check. If the check or statement does not indicate how much should be attributed to each donor, the caucus campaign committee should attribute the contribution in equal portions.

The caucus campaign committee should retain any statement that accompanies a joint contribution. If the designation appears on the face of the check itself (or other written instrument), the committee should retain a photocopy.

Note that a joint contribution must represent the personal funds of each donor because contributions made in the name of another are prohibited. The committee should immediately return a joint contribution check in excess of the individual contribution limit, if the check is not signed by more than one joint owner, or is not accompanied by any other attribution information.

Contributions from Spouses

KRS 121.150(12)

A husband and wife each have a separate contribution limit. A couple may transmit a contribution via one check drawn on a joint bank account (for example, a check for \$5,000 per year), as long as both sign the check or an attached statement.

Partnership Contributions

KRS 121.150(12)

A caucus campaign committee may accept a contribution from an individual who is a partner in a partnership. The partner may contribute from personal funds or from partnership funds that are credited to the individual partner.

A caucus campaign committee may accept a contribution from two or more individuals who are partners in a partnership. If the contribution is transmitted jointly on a partnership check, the partnership must provide written instructions signed by each partner regarding the percentage to be attributed to each partner. The amount attributed to an individual partner counts toward that individual's contribution limit. The name of the partnership is not recorded as the contributor.

Alternatively, a partnership of two or more individuals that contributes collectively to a caucus campaign committee from time to time with funds derived solely from the partners may qualify and contribute as a contributing organization. A caucus campaign committee that accepts a contribution from a partnership qualifying as a contributing organization must record the contribution under the name of the partnership but is not required to record information regarding the individual members of the contributing organization.

Caucus campaign committee are not permitted to accept corporate contributions. Caucus campaign committees should not accept a partnership check from a partnership that has a corporation as a partner.

Details of the reporting of partnership contributions may be found on the next page.

(OPTION 1)**MAKING A CONTRIBUTION AS AN INDIVIDUAL WITH PARTNERSHIP FUNDS:**

Each individual partner may contribute a maximum of \$2,500 in the aggregate to all caucus campaign committees per year. The individual partner may do this with partnership funds that are credited to the individual partner or with personal funds.

The Caucus Campaign Committee's Reporting Responsibility:

When a caucus campaign committee receives a contribution written from partnership funds with a list of individual partners and the amount each partner contributed, the committee reports the contribution as being received from each partner — not from the partnership itself. If the contribution is over \$100 per contributor, the committee discloses the name, address, occupation, employer, date and amount that each partner gave to the caucus campaign committee. If the contribution is \$100 or less, the committee reports the contribution as an unitemized contribution.

The Partnership's Reporting Responsibility:

When individual partners in a partnership make political contributions, written from partnership funds, the partnership must include a list with its contribution to the caucus campaign committee disclosing the following information: name, address, occupation, employer, date and amount that each partner gave to the committee.

(OPTION 2)**MAKING A CONTRIBUTION AS A CONTRIBUTING ORGANIZATION WITH PARTNERSHIP FUNDS:*****The Caucus Campaign Committee's Reporting Responsibility:***

When a caucus campaign committee receives a contribution from a Contributing Organization in excess of \$100, it must itemize the contribution on the report by: organization's name, address, date contribution was received, and amount received. If the contribution is \$100 or less, the committee reports the contribution as an unitemized contribution.

The Partnership's Reporting Responsibility:

When a partnership makes a contribution as a Contributing Organization in excess of \$100, it must file a "Contributing Organization Report" with the Registry. This report shows the partnership made a political contribution, to whom it was made, date, amount of the contribution and the source of funds.

See page 87 for a sample of a Contributing Organization Form.

Remedying an Excessive Contribution

Accepting a contribution in excess of the contribution limit is a violation. When a caucus campaign committee receives an excess contribution, one that exceeds the donor's aggregate limit for the calendar year, the caucus campaign committee should immediately return the contribution. The committee should keep a written record or photocopy of each returned contribution for its records.

If the contribution check has been deposited, the caucus campaign committee must report it. The committee should immediately refund the excess amount and report the refund as a "receipts adjustment." If the contribution is in the form of a check drawn on a joint account, the committee could seek a reattribution of the contribution between the owners of the joint account. See the discussion on joint contributions on page 31.

Unwanted Contributions

When a caucus campaign committee receives an unwanted contribution, the contribution should be returned to the donor without depositing it. If the committee returns the check without depositing it, the contribution does not have to be reported. The committee should keep a written record or photocopy of each returned contribution. If the contribution is deposited in the caucus campaign committee's account, it must be reported.

Refund of a Contribution

When a caucus campaign committee refunds a contribution to a donor, the committee must record the refund as a "receipts adjustment" rather than as a committee expenditure. If the committee did not itemize the receipt on a previous report, it subtracts the amount of the refund from the total for the appropriate category of receipts (i.e., unitemized, cash or anonymous). The reduced total is entered on the Summary Page.

If the caucus campaign committee previously itemized the receipt, it itemizes the refund as a negative entry on the appropriate Receipts Schedule 1.

Checks Returned Due to Insufficient Funds

If the caucus campaign committee reports the receipt of a check and later finds it cannot be negotiated because of insufficient funds in the donor's account, the committee should deduct the amount of the check on its next report. If the committee did not itemize the receipt on a previous report, it subtracts the amount of the check from the total for the appropriate category of receipts (i.e., unitemized). The reduced total is entered on the Summary Page. If the committee previously itemized the receipt, it itemizes the return of the check as a negative entry on the appropriate Receipts Schedule 1.

Investments

Invested funds are included in the amount of cash on hand. The caucus campaign committee should not report any investment as a disbursement, since the money is still an asset. A committee must report interest income received during the reporting period in the "Other Receipts" category.

REPORTING THE EXPENSES OF THE CAUCUS CAMPAIGN COMMITTEE***Treasurer's Responsibility***

KRS 121.160(2)(c); KRS 121.220(1)

It is the treasurer's duty, by law, to make or authorize all expenditures on behalf of the caucus campaign committee, and only from funds which have first been deposited into the caucus campaign committee's account.

Reporting Disbursements

KRS 121.160(2)(c)

Each expenditure must be reported on Disbursements Schedule 2 regardless of the amount of the expenditure. For expenditures over \$25, the report must disclose the name, address, occupation of the payee, date, purpose and amount of the expenditure. For expenditures of \$25 or less, the report must disclose the purpose, date and amount of each expenditure.

Expenditures by Check

KRS 121.160(2)(c); KRS 121.170(3); KRS 121.180(3)(a)(5); 32 KAR 2:200

The treasurer must make all expenditures from the caucus campaign committee account. All expenditures must be recorded and the report must disclose the date, amount and purpose. If the expenditure is over \$25, it must be paid by check, and in addition to the date, amount and purpose, the committee must report name and address of the payee. However, it is recommended that all expenditures be made by check from the caucus campaign committee account. See also "Vote Hauling" on page 37.

For each expenditure the committee makes, it must maintain a receipt, invoice, statement, or contract to support it. The committee must retain these documents for six years from the date the caucus campaign committee's report is filed.

When the Caucus Campaign Committee Makes a Contribution

When the caucus campaign committee makes a contribution to a candidate, the committee must provide the candidate with the caucus campaign committee's complete name and address. See *sample Campaign Contribution Card* on page 85.

OTHER DISBURSEMENTS

Joint Expenditures

KRS 121.160(2)(e)

If advertising is purchased in conjunction with another organization, each organization must pay for its share of the cost with a separate check, rather than one organization paying for the total cost and being reimbursed by the other organization. This method of paying for joint advertising ensures that the caucus campaign committee complies with KRS 121.160(2)(e). Remember that the committee should maintain an invoice, receipt, contract, or other documentation to support its respective share of shared advertising costs.

Disbursement Adjustments

Refunds received on deposits (such as telephone and other utility deposits), refunds received from overpayment of bills, and the proceeds from the liquidation of committee property (such as office furnishings and equipment) are considered offsets to operating expenditures.

Offsets to operating expenditures are reported as “disbursement adjustments” on Schedule 2 in the period in which the refunds or proceeds are received.

Disbursements for Multiple Purposes

KRS 121.160(2)(e); 32 KAR 2:200

If a single purpose does not fully and clearly describe the services rendered or goods purchased, and space on the reporting form does not allow for a complete description, the caucus campaign committee should attach supplemental information to its report.

For example, payments made on behalf of the caucus campaign committee by an agent hired by the committee (i.e., advertising agency, consultant, credit card expenses) must be fully disclosed on the committee's reports, even though the actual payment was made by the agent.

Invoices for Disbursements

KRS 121.120(4)(j); KRS 121.160(2)(d)

The treasurer should not make any disbursement without an invoice or receipt provided by the person to whom the payment is to be made. The invoices and receipts are to be maintained by the treasurer and made available for reasonable inspection and auditing by the Registry.

Reimbursements

KRS 121.160(2)(e)

To the extent possible, all expenses of the caucus campaign committee should be approved in advance of incurring the expense, and the vendor should be paid directly. The law contains specific language prohibiting the treasurer from making a payment to someone not directly providing goods or services to the committee in an attempt to conceal a payment to someone else.

If a member of the caucus campaign committee does use personal funds for committee related expenditures, the committee treasurer should require the original receipts and invoices obtained by that individual to be submitted at the time the caucus campaign committee reimburses the individual.

Vote Hauling

KRS 119.205(5); 32 KAR 2:200 § 1(4)

The law provides that all payments to persons transporting voters on election day are to be made by check, regardless of the amount paid to each individual. The caucus campaign committee must pay each person directly and individually who transports voters. Lump sum payments to third parties for distribution to transporters are **not** acceptable. Each person paid for transporting voters to the polls must be reported as a disbursement by name, address and occupation.

**EVENTS**

KRS 121.180(5)

The "Events" Schedule 3 is used to report the date of events. If the event raises funds, the gross proceeds from each event, as well as any expenses, must also be reported.

Events such as rallies, dinners, luncheons and testimonials are considered fundraising events. The entire cost to attend the event is considered a contribution.

The sale of items such as hats, shirts and similar materials must be disclosed as a fundraising event. The entire purchase price of the item is considered a contribution.

DEBTS AND OBLIGATIONS

Loans

All loans received by the caucus campaign committee from individuals or a bank must be itemized and continuously reported until repaid. Loans are reported on the Itemized Receipts Schedule 1 and on the Debts and Obligations Schedule 4 of the Election Finance Statement.

Initial Receipt of a Loan

The caucus campaign committee must report the receipt of a loan as an "Other Receipt." This is recorded on Itemized Receipts Schedule 1, in Column 7b and also must be recorded on Debts and Obligations Schedule 4 of the Election Finance Statement.

Loan Repayments

A repayment of a loan is not recorded as an expenditure. It is recorded as a "Receipts Adjustment" on the Itemized Receipts Schedule 1 and should also be reflected on the "Debts and Obligations" Schedule 4 of the Election Finance Statement. Payments to reduce the principal on a loan must be itemized, regardless of the amount.

Debts Other Than Loans

KRS 121.180(3)(a)(5)

Campaign finance law requires that all expenditures "authorized, incurred, or made" be reported. Agreements to make expenditures should be reported as estimated obligations until actual payment is made. A contract for services (for example, a contract for radio advertising) constitutes an agreement to make an expenditure and should be reported as a debt until paid.

Debts Owed by the Committee

An Election Finance Statement is incomplete if it fails to include debts the caucus campaign committee is obligated to pay but, for whatever reason, has not paid as of the date the Election Finance Statement is filed.

Summary Page - Balance Statement

When all schedules have been completed, the grand totals from each schedule must be transferred to the Summary Page.

Internal records should be maintained in a manner that will enable the treasurer to easily transfer "Receipts in currency," "Anonymous," and "Unitemized contributions" to the Summary Page.

Copies of the caucus campaign committee's previous reports must be maintained in order to complete Column II, "Cumulative This Year."

The ending balance should reconcile with the bank records.

NOTES:

Filing Reports

WHERE TO FILE REPORTS

Election Finance Statements are to be filed with the Registry of Election Finance, 140 Walnut Street, Frankfort, Kentucky 40601. You may mail, fax, or hand-deliver the report. A duplicate copy of the report must be filed with the county clerk's office in the county in which the committee operates. Retain a copy for your records. If the committee did not receive any money or make any expenditures, the committee must still file reports indicating that no financial activity occurred and report the committee's current ending account(s) balance(s). There are no provisions for a caucus campaign committee to terminate its reporting requirements. Failure to file reports may result in substantial civil penalties.

You may file documents with the Registry by any of the following methods:

MAIL:

Reports must be U.S. postmarked. The report must be received or U. S. post marked no later than the grace period ending date.

FAX:

Reports may be faxed to the Registry at (502) 573-5622, to be received no later than the grace period ending date. The original must still be submitted either by mail or hand-delivered.

HAND-DELIVERED:

Hand-delivered reports should be delivered between the hours of 8:00 a.m. to 4:30 p.m., Monday through Friday, no later than the grace period ending date.

When the grace period ending date falls on a weekend or a legal holiday, the report will be due on the next working day.

WHEN TO FILE REPORTS

Reporting Period

32 KAR 2:100

Each report covers activity during a specific time period. Generally, a report begins where the last report ended. There should never be gaps between the periods covered. For each report filed, the beginning balance must be the same as the ending balance of the previous report. The treasurer should also reconcile the reported ending balance to the caucus campaign committee's bank balance before the report is filed.

Reporting Schedule

KRS 121.180

All caucus campaign committees are required to report within five (5) days after the thirtieth (30th) day following the **primary**, **runoff primary**, and **general elections**.

No report is required for special elections. Any receipts or expenditures made for special elections should be reported on either the post-primary or post-general election report.

Notes:

RECONCILING THE BANK ACCOUNT

Every effort should be made to reconcile the bank statement with the Election Finance Statements as soon as possible. Record any miscellaneous charges, such as bank service charges, on the Election Finance Statements as disbursements. Record any interest earned as a receipt.

The balance on a bank statement is always reconcilable, and the treasurer should continue until the bank statement agrees exactly with the reported transactions.

FILING AMENDMENTS

The caucus campaign committee must file an amended report if it discovers that an earlier report contained erroneous or incomplete information. The committee should not wait until the next reporting period to file an amendment. Amended reports should be filed as soon as the error is discovered, or as soon as any previously missing information is available. In addition to penalties for the failure to file reports, the law also provides penalties for filing inaccurate or incomplete reports.

When filing an amended report, the caucus campaign committee should indicate on the cover page of the report that the document is an amended report. The committee should file a corrected version of the schedule(s) that contained the incomplete or incorrect information.

See sample of the caucus campaign committee Election Finance Statement beginning on page 67.

COMPLAINTS

KRS 121.140; 32 KAR 2:030; 32 KAR 2:040; 32 KAR 2:050; 32 KAR 2:210

Upon receipt of a sworn, written complaint, the General Counsel is required to notify the alleged violator (respondent) that a complaint has been filed. The respondent has 15 days to provide a written response. The General Counsel then determines if there is reason to believe that a violation may have occurred or is about to occur. An investigation will be conducted. Upon completion of the investigation, the General Counsel will report his or her findings and make a recommendation to the Registry for further action. The respondent will be notified in writing of any action by the Registry.

If the Registry finds probable cause that a civil violation has occurred, the matter is referred to the General Counsel and Executive Director for conciliation with the respondent. A Conciliation Agreement may require the respondent to comply with one or more of the following:

- To cease and desist violations of the law;
- To file required reports or other documents or information;
- To pay a penalty not to exceed \$100 a day, up to a maximum total fine of \$5,000, for failure to file any report, payment of an administrative fee, or other document or information required by law until the report, fee payment, document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or
- To pay a penalty not to exceed \$5,000 per violation for acts of noncompliance with provisions contained in KRS Chapter 121.

If the respondent complies with the Conciliation Agreement and the Registry approves, no further action will be taken in the matter. However, if no Conciliation Agreement is reached, a hearing will be conducted before a retired or former judge or justice appointed by the Chief Justice of the Kentucky Supreme Court. The judge shall render a decision which, upon approval by the Registry, may order the respondent to comply with the same provisions discussed above. Conciliation Agreements and Final Orders of the Registry may be enforced in Franklin Circuit Court or other court of competent jurisdiction.

It should be noted that, pursuant to administrative regulations promulgated by the Registry, failure to comply with the reporting requirements contained in KRS 121.180 shall constitute prima facie evidence of probable cause to believe a violation has occurred. The General Counsel and Executive Director may immediately enter into conciliation negotiations with the respondent.

How to File a Complaint

32 KAR 2:030

If you wish to file a complaint with the Registry, you must comply with the following:

1. The complaint should be filed with the General Counsel of the Registry;
2. The complaint must be in writing;
3. The complainant shall provide his or her full name and address;
4. The contents of the complaint shall be sworn to and signed in the presence of a notary public, and must contain an appropriate notary certification;
5. The statements contained in the complaint shall be made under penalty of perjury.
6. The complaint must clearly identify the respondents and provide their addresses;
7. The statements which are not based on personal knowledge of the complainant must be accompanied by an identification of the source of the information which leads the complainant to believe the truth of his or her statements;
8. The complaint must contain a clear and concise recitation of facts supporting his or her allegations; and
9. The complaint must be accompanied by documentation, if known and available, which supports the allegations.

Referrals for Prosecution

KRS 121.140(5); KRS 121.990

If the Registry determines there is probable cause to believe that a knowing violation has occurred, the Registry will refer the violation to the Attorney General for prosecution. A knowing violation constitutes a Class D felony. The Attorney General may request the General Counsel for the Registry or the appropriate County or Commonwealth's Attorney to prosecute the matter.

Right to Appeal

KRS 121.140(6)

Any person directly involved or affected by a final decision of the Registry, other than a referral for prosecution, may appeal the final decision within 30 days after the date of the Registry's Order. Appeals may be brought in Franklin Circuit Court.

ADVISORY OPINIONS

KRS 121.135; 32 KAR 2:060

Any person may request an Advisory Opinion from the Registry concerning the application of campaign finance laws to a specific transaction or activity by the person. Requests must be in writing, and must identify the person(s) involved in the specific activity. **General questions of interpretation or questions posing a hypothetical situation or regarding actions by a third party shall not be considered for an Advisory Opinion by the Registry.** The Registry is required to issue an Advisory Opinion within 30 days of receipt of the request. If a candidate, slate of candidates or either of their campaign committees request an opinion not more than 30 days before an election which they are to appear on the ballot, the Advisory Opinion must be issued within 20 days after the Registry receives the request.

An Advisory Opinion issued by the Registry is binding only as to the person involved in the specific transaction or activity with respect to which the Advisory Opinion is rendered. If a person or committee to whom an Advisory Opinion has been issued acts in good faith in accordance with the terms of the Advisory Opinion, it shall be a defense against any sanction provided by law or administrative regulation. It shall be no defense in any civil or criminal proceeding for a person to rely on an Advisory Opinion if he or she was not the party involved in the specific transaction or activity with respect to which the Advisory Opinion was rendered.

PENALTIES

KRS 121.990

The penalties for knowing violations of KRS Chapter 121 may result in conviction of a Class D felony. Substantial civil penalties may also be assessed for nonknowing violations.

Corporations convicted of knowingly violating the campaign finance laws stand to have their corporate charters revoked or lose their ability to do business in Kentucky, and face substantial fines. In the case of knowing violations by individuals, a Class D felony conviction may result.
